Specifies that the eligible recipient's obligation to pay legal fees to enforce the funding agreement is limited to the provisions of the agreement described in the BIF statute. Requires an eligible recipient to present proof of payment or proof that the eligible recipient is legally obligated to make payment before the eligible recipient is entitled to receive a distribution of BIF money. Requires the budget agency to certify project statements and monitor compliance with funding agreements. Eliminates the requirement that the budget agency establish three separate accounts in BIF. Appropriates money to the budget agency to administer BIF. Legalizes past expenditures from BIF. Provides for transitional matters and makes conforming changes.
